

Get to Know The PEAK Team...

John W. Reily, President

Education

Master of Science in Civil Engineering and
Construction Management

Master of Architecture and Bachelor of
Science in Architecture
University of Illinois, Urbana – Champaign, Illinois

History

PEAK Construction - 2006 to Present
26 Year Industry Veteran

Experience

John brings over 26 years of design/build and operational experience to Peak, primarily in the hospitality and healthcare sectors. His academic focus on architecture provides a great sensitivity to industry specific details and understanding of technical complexities, resulting in award-winning projects and lasting client relationships.

Words to Live By..

"I'm a firm believer in the theory that people only do their best at things they truly enjoy. It is difficult to excel at something you don't enjoy." *Jack Nicklaus*

Fun Fact

While in Grad school, John worked at the Army Corp. of Engineers as a research assistant with a team developing artificial intelligence systems to produce safety protocols for the Army to make weapons testing safer.
