

To Our Clients, Subcontractors & Friends:

THANK YOU For a Monumental 2018

Wishing You the Happiest of Holidays & A Prosperous New Year!

Your friends at
PEAK Construction Corporation

PeakGiving partnered with Operation North Pole (ONP) again this year to build an addition onto Santa's house. Thanks to **Hines Lumber Co.'s** generous donation of materials, the PeakGiving/ONP team extended the walls to provide more room for the guests of honor to visit with Santa!

Since 2011, ONP has been working with Chicago's major children's hospitals to provide a day of fun and fantasy for families who have a child battling a life threatening illness. ONP makes every effort to ensure that the entire family participates and shares in the day's festivities, which include breakfast, a festive train ride to the North Pole, a visit with Santa, winter wonderland fun, entertainment, treats and personal wish list gifts. See how you can help make a child's wishes come true at www.operationnorthpole.org.
