

Get to Know The PEAK Team...

Jim Riemma, Project Manager II

*Jim's most recent project,
Hampton Inn Bridgeview*

What do you like most about working at Peak?

The atmosphere and leadership. Peak practices and encourages the "do the right thing" mentality. This is reflected in the leadership roles and passed down throughout the company.

If you weren't in construction, what would you be doing?

I try to lead an active lifestyle. I played rugby for about 13 years. Physical therapy has always been an interest of mine that I have not pursued.

What is the one thing people don't know about you?

I love to take every opportunity to travel, especially out of the country and/or involving hiking. Top places so far have been South Africa, Chile, Iceland and Greece.

What is the best advice someone gave you?

Trust, but verify. As professionals we develop and build trusted relationships. However it is critical to always see your tasks through.
