

Get to Know PEAK EAST COAST...

Michael Russo
Director, East Coast Region

What do you like most about working at Peak?

I like the team of top professionals I work with on daily basis.

What has been the most fun further building Peak's East Coast presence?

Working to expand relationships with existing clients and building new relationships with clients for future opportunities.

If you weren't working in Construction, what would you be doing?

I'd probably be a park ranger in Australia.

What is the best advice someone gave you?

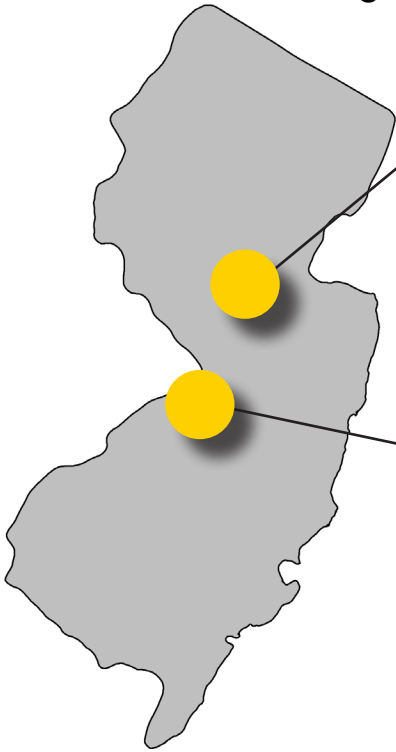

"Keep your head down and work hard; do the right thing and everything else will fall into place."

Where do you see yourself in five years?

Continuing to grow the PEAK brand and further develop the team.

What is your favorite work project to date?

Building the Mobil Oil Paulsboro Lube Plant.
